Dear TTC Boarder,

Effective March 1, 2022, the following will be the boarding rates at TTC.

Pasture Board + Grain \$450 per month

Stall Board - \$850 per month

TTC has literally been forced to raise rates due to the rapidly rising costs of feed, lime, hay, fertilizer, bedding, insurance and employee compensation.

As always, we do appreciate the trust you place in us to provide the best for your horse.

Respectfully,

Beth McCashin
