### EXISS 2-Horse Ramp Load Trailer with Dressing Room

#### 2003 Event SS 20RP (Large Horse)

#### Excellent Condition – Super Clean – Well Maintained

The dressing room of the SS 20RP comes with two nose windows with screens, and a large bulkhead window for extra airflow in the horse area. The large carpeted dressing room is easily accessed through a full-sized camper door, including a full screen door. It is equipped with two saddle racks, a blanket bar, a large brush tray, and multiple bridle/halter hooks.

The spring-loaded full width rear ramp is lined with a high-quality rubber floor mat that is ribbed for extra traction and ease of loading.

Each horse area features two windows with screens and bars, as well as two pop-up roof vents. One padded breast bar and butt bar is provided per stall. Inside height is a full 7'6" to accommodate large horses. The sidewalls have rubber mats and the floor has a heavy rubber mat, all in excellent condition.

Double rear doors with windows feature easy-to-use cam latches with bars and screens.

*Trailer hitch system includes load leveling and sway bar.*
